MISSION STATEMENT

The Arkansas-Oklahoma Port Operators Association (AOPOA) promotes the McClellan-Kerr Arkansas River Navigation System as a vital and reliable transportation link for regional, national and international shipments. It stresses the attainment of an optimum level of operations through continued additions and improvements to the system's physical infrastructure, promotes a harmonic relationship amount all primary beneficiaries of the system, encourages military use of the system, enhances an image of being an innovative and farsighted international navigable waterway as part of the fifth sea coast system. The AOPOA continually looks for new opportunities for greater utilization of the system and welcomes the challenges of the future.
